

The egg supply chain

Stage 1: Farm

Square 1 – START: The Farmyard

You are ready to collect eggs. Roll the dice to begin!

Square 2 – Egg Collection

Collect 60 eggs from the hens. Add them to your total.

Square 3 – Busy Hens

Hens are laying lots! Add 30 eggs.

Square 4 – Half-Day Collection

You only collect half your eggs so far. Divide your total by 2.

Square 5 – Pick Up a Farm Card

Draw a Farm Card and complete the challenge before moving.

Square 6 – Eggs Cracked!

12 eggs crack during collection. Subtract 12.

Square 7 – More Hens, More Eggs

Add 20 eggs. Your hens are healthy!

Square 8 – Counting Carefully

Check your eggs are divisible by 6. If not, adjust to the nearest multiple of 6.

Square 9 – Double Up

The farm has a productive morning. Multiply your total by 2.

Square 10 – Move to Packing

Your eggs are ready for packing. Move forward 1 space.

Stage 2: Packing

Square 11 – Packing Begins

Pack your eggs into boxes of 6. How many boxes do you have?

Square 12 – Pick Up a Packing Card

Draw a Packing Card and solve before moving.

Square 13 – Broken Box!

Two boxes break. Subtract 12 eggs.

Square 14 – Recalculate Boxes

Now pack into boxes of 12. How many full boxes do you have?

Square 15 – Extra Order

An extra 24 eggs arrive. Add them and calculate boxes again.

Square 16 – Quality Check

If your total is divisible by 6, move forward 1. If not, stay until the next turn.

Square 17 – Lost Eggs

18 eggs are damaged. Subtract from total.

Square 18 – Fast Packing

Your team is efficient! Add 1 extra box.

Square 19 – Packing Complete

All eggs are packed. Move forward 1 space.

Square 20 – Move to Transport

The boxes are ready for delivery. Move forward 1 space.

Stage 3: Transport

Square 21 – Loading the Lorry

Pick up a Transport Card.

Square 22 – Full Load

Your lorry is full. Move forward 2 spaces.

Square 23 – Half Load

The lorry is only half full. Pick up a transport card and solve to move forward.

Square 24 – Traffic Delay

Miss one turn.

Square 25 – Eggs Shift

24 eggs fall during travel. Subtract 24.

Square 26 – Smooth Journey

Transport goes well. Move forward 1 space.

Square 27 – Extra Delivery

You have 60 extra eggs. Add them to your total.

Square 28 – Lorry Breakdown

Lose 2 turns while a replacement is arranged.

Square 29 – Emergency Packing

Add 12 eggs to your total.

Square 30 – Pick Up Transport Card

Draw a Transport Card and solve it.

Square 31 – Delivery Ahead of Schedule

Move forward 2 spaces.

Square 32 – Transport Complete

Eggs arrive at the supermarket. Move forward 1 space.

Stage 4: Supermarket

Square 33 – Stocking Shelves

Pick up a Supermarket Card and solve it.

Square 34 – High Demand!

Customers buy 10 boxes. Subtract sold boxes from stock.

Square 35 – Price Check

Each box sells for £1.80. Calculate total takings.

Square 36 – Unsold Stock

Some eggs are unsold. Subtract 2 boxes.

Square 37 – Bulk Order

Multiply your box total by 2 for a large order.

Square 38 – Damaged Eggs

6 boxes are unsellable. Subtract from total.

Square 39 – Special Offer

Add 5 for extra boxes sold.

Square 40 – Customer Complaint

Some eggs returned. Subtract 3 boxes.

Square 41 – End-of-Day Count

6 boxes have broken eggs. Subtract from your total.

Square 42 – Restock Decision

You notice 5 boxes are unsold. Decide whether to sell them tomorrow or return them. Explain your reasoning to a partner, then move forward 1 space.

Square 43 – Almost Finished

Move forward 1 space.

Square 44 – FINISH: Egg-cellent Work!

You reached the supermarket! The player with the highest total value sold wins.
