

Inside a hen egg

You are going to explore the inside of a hen egg.

Look closely at the different parts and think about what each one does.

Look carefully at the cracked egg in the bowl. **Do not touch it.**

Look for:

- The yolk
- The albumen
- The chalazae
- The membrane
- The air cell

Fill in the gaps on your observation sheet and answer the question.

Draw what you can see in the bowl and label as many parts as you can.
